Search Remove All Filters

With Keeneland’s sale search, you can search current and past Keeneland sales for and apply different filters to identify specific horses. To get started, click **Add Filter** to create the first filter. Then, choose the filter type from the drop-down menu. Finally, choose the value you want to apply to the filter. (The red number at the top shows you how many horses match your filter(s).) To choose which sale(s) to search, use the **Change Selected Sale(s)** button at the top of the filter screen.

Select	Sale	Year	Month

[Statistics](#)
[Back](#)

You can click on the column headings to sort the results by any field.

**Print Results** will generate a printable list in PDF format.

**Download CSV** will generate a data file for use in Excel or other similar programs.

**Mini-Catalog** will generate a PDF file containing the horses in the result set.

**See More/Less** will allow you to customize which fields appear on-screen.

If the sale is a past sale, **Statistics** will allow you to view top buyer/consignor/price information for the result set.
