

## Index to Mares and First Dams

| Name | Hip No. | Name | Hip No. |
|------|---------|------|---------|
|------|---------|------|---------|

In this index are arranged alphabetically the first dams of all horses catalogued except the broodmares. Names appearing in bold face type indicate that it is the name of the broodmare sold. In cases when the same broodmare was the first dam of another horse or horses sold, hip numbers of all produce appear.

|                                  |                  |                                  |                  |
